Practical Assessment Arrangements

- (a) Assessments will be conducted on a good standard school, junior or club match within the learner's County.
- (b) In exceptional circumstances an assessment may be taken out of County and then only with the agreement of both County Umpiring Secretaries.
- (c) The County will be responsible for arranging venues, allocating Assessors and notifying candidates of the assessment arrangements.

Assessors

Two currently accredited 'C' Award Assessors, appointed by the County, will conduct the practical assessment. Each Assessor will assess the candidate independently, and the result will be determined after thorough discussion between the two Assessors, with the nominated Lead Assessor having the final decision.

Form of Assessment

- (a) Learners will be observed for a minimum of 30 minutes and a maximum of 40 minutes in a match. The Assessor observation shall commence at the start of the game and be **continuous for 30 minutes game time**.
- (b) Learners must achieve a minimum of grade 3 in all apart from section 6 – Advantage. Learners can have a grade 4 for section 6 – Advantage but will then need to gain a mark elsewhere as per the criteria laid out in the Performance grades and competencies.
- (c) The Learner will receive written feedback either on the day or within one week of the Assessment.

Results

- (a) A certificate signed by the County will be issued to successful Learners together with a metal brooch.
- (b) The names of the successful Learners will be registered on to the England Netball list of 'C' Umpires.

Information for Retaking a Practical Assessment

- (a) Any Learner who does not meet the criteria in the Practical Assessment must be pre-assessed before applying to retake the Practical Assessment. The written assessment is valid for two years and does not need to be retaken if the new application is submitted within the two year timeline.
- (b) A Learner can apply to retake the Practical Assessment at C award level three months after the initial NYMC. She/he does not have to attend another Course unless the period of two years has elapsed since the Written Pass date. If this happens the umpire must attend another course and retake the written paper.
